Education

B.Tech in Computer Science and Engineering

Institute of Aeronautical Engineering, Hyderabad

Intermediate: 88.6% | SSC: 10/10

2023 – 2027

CGPA: 8.96/10

Technical Skills

Languages: Java, Python

Web Development: HTML, CSS, JavaScript, RESTful APIs

Databases: MySQL

Core Computer Science: Data Structures & Algorithms, OOP, DBMS, CN, OS

Tools: Git, VS Code, Microsoft Excel, Power BI

CRM Tools: Salesforce

Experience

Data Visualization Intern

May 2026

Welcome Webworks, Hyderabad, India

- Designed interactive Power BI dashboards using **DAX** and Power Query to analyze sales performance and business KPIs.
- Created KPI dashboards and time-series visualizations to **monitor sales** and profitability trends.
- Delivered actionable insights through data visualization and storyboard-driven analytics.

Projects

Learning Path Recommendation System [GitHub]

2026

React, TypeScript, Vite, Tailwind CSS, Supabase [Live Demo]

- Developed an interactive web application that provides **personalized learning path recommendations** and curated resources to help users follow structured learning journeys.

Automated Personalized News Digest System [GitHub]

2026

Python, Flask, HTML, CSS, JavaScript, NewsAPI, Gmail SMTP, Docker [Live Demo]

- Built a personalized news platform using **Flask** and **NewsAPI** to fetch and display real-time category-based news through an interactive user dashboard.
- Implemented **automated personalized email digests** using **Gmail SMTP**, with secure environment-based configuration and protected scheduled delivery.
- Containerized the application using **Docker** for consistent deployment across environments.

Diabetes Prediction Model [GitHub]

2025

Python, Machine Learning, Flask [Live Demo]

- Performed data preprocessing and exploratory data analysis, built a predictive model using **Naive Bayes** enhanced with **Random Forest** achieving **73.34% accuracy**.
- Deployed the model through an interactive web interface.

Coding Profiles

LeetCode (300+ problems solved) | GeeksforGeeks (200+ problems solved) | HackerRank (Python Basic Certified)

Certifications

- Gen AI Summit — Microsoft
- Generative AI — Infosys
- DBMS (Intermediate) — NPTEL
- DSA using Java — NPTEL
- Cloud Computing — Infosys
